

# Would you like to Reduce HOME ENERGY BILLS?

## Apply for the Weatherization Program!

The Weatherization Program provides **free of charge**:

- Home Energy Audits: to find where energy is being lost or wasted.
- Insulation for attics, walls, and crawlspaces.
- Inspection, repair or replacement of your furnace and water heater.
- Air sealing around drafty windows and doors.
- Possible replacement of inefficient refrigerators.
- Renters may apply, though not all rental homes are able to be served.
- Manufactured/Mobile homes may apply, however, eligible improvements for Mobile homes have been reduced.

Things you can do at home:

- Turn down the water heater temperature so it is not at the hottest setting.
- As incandescent lights burn out replace them with compact fluorescent bulbs.
- Lower your furnace thermostat by a couple degrees and lower it at night.

Call: (734) 622 - 9036 to see if you qualify for these energy saving measures or visit us on the web, see below.

**Please Note:** We encourage new applicants to our program. However, the wait time for service is approximately six months in length.

Eligibility for our program is based on income, call or go online to see if you qualify for our FREE services. *(income levels listed on back)*
